

## FALL SPORTS GAME FEE INFORMATION

Officials do not have to be paid on site. The Arbiter will have the correct officials and fees by the next day if there were any changes made for the game. The bookkeeper may mail a check the next day, or wait and send checks out once per week. For example, if you have more than one game during the week, you might wait until the following Monday to mail checks for all the officials from the previous week. There will be an additional \$25 fee per official if payment is not made by the end of the next week after the games.
