

SPRING FEE INFORMATION

Please do not pay officials on site. The Arbiter.net will have the correct officials and correct fee by the next day if there were any changes made for the game. The bookkeeper may mail a check the next day, or wait and send checks out once per week. For example, if you have baseball, softball and soccer during the week, you might wait until the following Monday to mail checks for all the officials from the previous week. There will be an additional \$25 fee per official if payment is not made by the end of the next week after the games.
